**Dated: August 15, 2011**

As required by the Board in its decision served August 3, 2011, the parties hereby inform the Board that they have continued to exchange information related to the issues in the case and have engaged in productive discussions about a possible resolution of this matter. The parties believe that further discussions likely would be productive. They accordingly request that these proceedings, including the obligation to file a proposed procedural schedule, be held in abeyance for an additional period of 30 days, until September 13, 2011, by which date the parties will report to the Board regarding further procedural matters. The parties believe they are making good progress and anticipate that this request for an extension will be their last.

Respectfully submitted,
